

# Food, Meals and Children

## Life in Uganda and UK

Price **£25**  
 50% Special Discount for GLEAN members

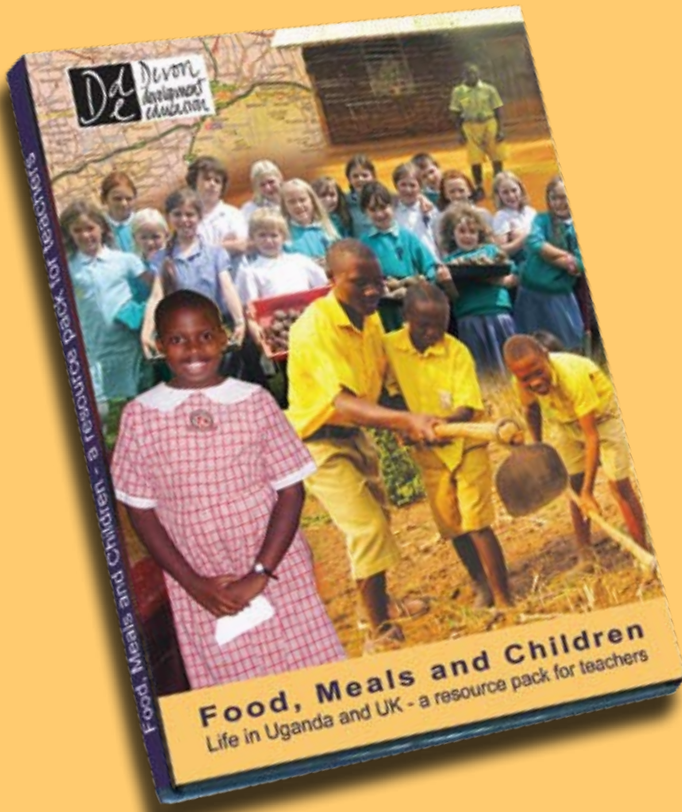

Written for KS2 but flexible enough to use successfully with Foundation/KS1 and KS3/4.

This exciting new resource starts with children's lives and experiences in this country – and then introduces Natasha, Sam, Edison and Paul, all in class Primary Six in Uganda, but in very different situations – a city girl, a town boy and two rural lads. Through photos, videos clips and activity sheets, children discover how the Ugandan children's lives are similar to and different from our own. Knowing more about the Ugandan children can help us challenge stereotypes about Africa - and consider the diversity of children's lives in the UK.

This resource supports the new primary curriculum. Use it to develop geographical and social understanding in any classroom within the UK – whether a rural, town or city location.

It will help develop confident individuals, successful learners and responsible citizens, and will encourage teachers to ask BIG QUESTIONS in their classrooms.

This resource is accessible to those with or without experience of visiting Uganda.

*'An outstanding resource. An excellent basis for discovery and discussion. A powerful challenge to stereotypes.'*  
 Year 4/5 Devon primary teacher
